Five Leaders: Five Ideas for Fixing the Economy. It's a Start.

BOSTON Sunday Globe 11/11/88

By William Reit

This page contains text related to economic advice and ideas for fixing the economy. The text is not fully legible due to the quality of the image, but it discusses the importance of economic advisors and mentions Council of Economic Advisors, President George W. Bush's role, and the need for government intervention and stabilization measures.

The text also refers to the unemployment rate and mentions the need to trickle down to the grassroots, but the specific details are not clear due to the image quality.
