

## Biography of Steven Kelman

Dr. Kelman is the Weatherhead Professor of Public Management at Harvard University's John F. Kennedy School of Government. A *summa cum laude* graduate of Harvard College, with a Ph.D. in government from Harvard University, he is the author of many books and articles on the policymaking process and on improving the management of government organizations. His latest book, [\*Unleashing Change: A Study of Organizational Change in Government\*](#), was published in 2005 by the [Brookings Institution Press](#). His other books include a study on how to improve the government computer procurement process, entitled *Procurement and Public Management: The Fear of Discretion and the Quality of Government Performance* (AEI Press, 1990), and *Making Public Policy: A Hopeful View of American Government* (Basic Books, 1987). In 1996 he was elected a Fellow of the National Academy of Public Administration. In 2001, he received the Herbert Roback Memorial Award, the highest achievement award of the National Contract Management Association. In 2003 he was elected as a Director of The Procurement Roundtable, and he was inducted in 2007 into the *Government Computer News* Hall of Fame. In 2010 the American Political Science Association awarded him the Gaus Prize, which honors a lifetime of achievement in public administration scholarship.

He currently serves as editor of the [\*International Public Management Journal\*](#), and he writes a regular [column for Federal Computer Week](#) and a [blog, The Lectern, at FCW.com](#).

From 1993 through 1997, Dr. Kelman served as Administrator of the Office of Federal Procurement Policy in the Office of Management and Budget. During his tenure as Administrator, he played a lead role in the Administration's "reinventing government" effort. He led Administration efforts in support of the Federal Acquisition Streamlining Act of 1994 and the Federal Acquisition Reform Act of 1995.
